Perfect Pierogies is proud to be a fully **Manitoba** owned and operated company. Located in town of Garson Manitoba, we produce our pierogies weekly, providing both fresh and frozen product to our loyal customers.

Our ingredient list includes only the freshest and highest quality products found throughout Manitoba. We use local, celebrated companies for our pierogies such as, Interlake Potatoes, Prairie Mills Flour and Bothwell Cheese. Combined with our dedicated staff, we are able to generate and offer our customers a homemade, superior tasting pierogy with tender dough made from scratch, packed with freshly made fillings.

Perfect Pierogies is committed to sustaining the very best product available. We are part of the Food And Beverage Manitoba and take full advantage of their seminars, expertise and events to keep our product and company strong and viable.

We are also registered and currently in the process of becoming HACCP certified. We believe that this further exemplifies loyalty to our customers in providing the very best and safest product possible.
